

Open your hearts and show a Vet you care

Assemblyman Tony D'Urso is collaborating with the community to compile goods such as hats, gloves, toothbrushes, gift cards, DVDs, etc. for residents at the Northport VA and the Long Island State Veterans Home.

With all that these Vets have done for us, it's time to show our thanks and love for our service members, who have fought to keep us safe.

To find out more about what you can donate, contact the Assemblyman's office at:
(516)-482-6966
